IN RE: Generic Proceeding Related to Sub-Metering of Electric, Water and Wastewater Services.	) ) ) )	ORDER GRANTING PETITIONS TO INTERVENE OUT-OF-TIME
--	------------------	--

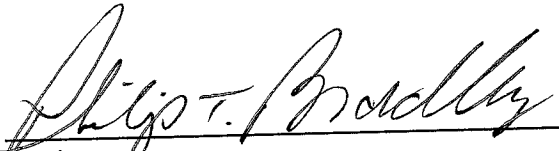

✓ 12

This matter comes before the Public Service Commission of South Carolina (the Commission) on two Petitions to Intervene Out-of-Time in this matter. One was filed by the South Carolina Public Service Authority (Santee Cooper) and the other by the Consumer Advocate for the State of South Carolina (the Consumer Advocate).

Santee Cooper states that it just recently became aware of the matter. The Consumer Advocate states that it did not receive notice of the proceeding until after the return date. No objections have been received to the late interventions. In any event, we grant both Petitions as having shown good cause for filing the Petitions after the return date.

This Order shall remain in full force and effect until further Order of the  
Commission.
